## Appointments

To make an appointment for an initial consultation for yourself or your child, please call (859) 257-6853.

## Therapists

Therapists are advanced doctoral students in the American Psychological Association-accredited clinical psychology program at the University of Kentucky. Therapists are supervised by licensed psychologists in the Department of Psychology or in the community.

## Confidentiality

Client records and other information are managed at the center with strictest confidentiality, in accordance with all relevant ethical and legal standards. No information will be transmitted to any other individual or agency without the express permission of the client, except as required by law.

## Fees

- The fee for an initial consultation is \$20.
- We do not accept insurance.
- Fees for therapy and testing vary depending on the services provided.
- A sliding fee scale is available for psychotherapy and psychiatric services based on income and family size.
- Acceptance for treatment is not based on ability to pay for services.
