Internship Program Admissions

<p>Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:</p>
<p>Internship Selection Criteria Interns must satisfy the following criteria for entrance into the program: Academic Record: Satisfactory completion of all doctoral-level coursework. Must be at least in the 3rd year of the UK Clinical or Counseling Psychology Doctoral Program. Clinical Experience: Completion of their doctoral training program's required clinical hours and types of clinical experience. Completion of a minimum of 400 direct contact clinical practicum hours. Successful completion of EPPP is desirable but not required. Competency: Interns must show a desire to follow the clinical science model (this is in line with the Consortium's philosophy). Their doctoral-level practicum experience must be diverse (completion of the University of Kentucky Clinical or Counseling Psychology Doctoral Programs provides experience with diverse clients with diverse presenting problems and diverse settings, and preference is shown for internship applicants with related prior training experiences. The internship consortium only considers applicants identified by the director of training as having met the program's minimum levels of competency for internship entry standards. Must have completed all doctoral-level coursework to ensure interns have the broad knowledge of psychology necessary for more advanced work in psychology. This will be reviewed by the Director of Training before approval to apply for the affiliated internship. Scholarship/Research: Fit with clinical scientist model. Successful dissertation proposal must be completed prior to the internship application. Research ability must be at a reasonable level. Diversity Experience: Must have completed the required Multicultural course. Match with Site: Must show evidence of desire to train with site. Preference for previous related experience. Preference for desire to work in a related setting. Writing Skills: Must demonstrate good writing skills (professional, organized, articulate). Intangibles: Demonstrated ability to handle the type of work required of the internship. Preference for candidates who are flexible, team players, mature, and open to feedback. Seniority: Among students eligible for the internship, priority will be given to the student(s) with the most seniority in the UK Clinical or Counseling Psychology graduate programs.</p>

Background Check: All candidates will have undergone a background check as part of the UK Clinical or Counseling Psychology Doctoral Program requirements. A prerequisite for being selected as a Consortium intern is to have had their background judged as adequate for the doctoral programs. All candidates must be eligible to work in the U.S.

Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:
