APPIC Match #19203 || [Eric.Ingram@uky.edu](mailto:Eric.Ingram@uky.edu) || 614-596-4583

University of Kentucky || Department of Psychology || 111-B Kastle Hall || Lexington, KY

## ACADEMIC PREPARATION:

---

### **Doctor of Philosophy, Clinical Psychology (Neuropsychology Concentration) Exp. 5/2027**

University of Kentucky, Lexington, Kentucky

- *Dissertation:* Toward a Network Understanding of Acute and Persistent Symptoms in Collegiate Athletes Following Sport-Related Concussion
- *Relevant Coursework:* Neuropsychological Assessment; Advanced Neuropsychology; Neuroanatomy; Multicultural Psychology

### **Graduate Certificate, Biostatistics**

**12/2024**

University of Kentucky, Lexington, Kentucky

- *Relevant Coursework:* Databases and SAS Programming; Design and Analysis of Clinical Trials; Quantitative and Qualitative Approaches to Measuring Health Behaviors; Analytic Methods for Mining Healthcare Data

### **Master of Science, Clinical Psychology (Neuropsychology Concentration)**

**12/2023**

University of Kentucky, Lexington, Kentucky

- *Thesis:* The Sport Concussion Assessment Tool: A Multidimensional Symptom Model for Detecting Elevated Post-Concussion Symptoms

### **Bachelor of Science, Psychology (Neuroscience and Cognition Focus)**

**5/2021**

Brown University, Providence, Rhode Island

- *Relevant Coursework:* Mind, Brain, and Behavior; Abnormal Psychology; Perception and Mind; Cognitive Development; Statistical Methods; Brain Damage and the Mind; fMRI Theory and Practice; Directed Research; Neuroscience; Neurobiology; Neural Systems; Structure of the Nervous System; Leadership in Organizations
- Division 1 Varsity Track and Field athlete

## AWARDS AND HONORS

---

Presidential Graduate Fellowship (\$20,000), University of Kentucky	2025 - present
Lyman T. Johnson Torch Bearer Award, University of Kentucky	2025
Trainee Scholarship (\$200), Rehabilitation Psychology Conference	2025
CGPS Professional Development Grant (\$500), University of Kentucky	2024
Lyman T. Johnson Fellowship (\$45,000), University of Kentucky	2021 - 2024
Rising Graduate Scholar, <i>Diverse: Issues in Higher Education</i>	2024
Predocctoral Research Award (\$100), University of Kentucky	2024
UNITE Research Showcase Poster Award (\$500), University of Kentucky	2024

Trainee Scholarship (\$200), Rehabilitation Psychology Conference	2022
David Brooks Prize in Psychology (\$100), Brown University	2021
Sigma Xi Honor Society, Brown University Chapter	2021

### CLINICAL EXPERIENCE

---

Neuropsychological Evaluations: 238; Integrated Reports: 57; Neuropsychological Reports: 33  
As of 12/10/2025

#### **Practicum Student, Kentucky Neuroscience Institute** **8/2025 - present**

Lexington, Kentucky

*Supervisors:* Drs. Tim Ainger, Alinda Lord, Willie McBride

- Completed comprehensive outpatient neuropsychological assessments including clinical interview, test battery selection and administration, and report writing. Patient population and referral questions include differential diagnosis for neurocognitive disorders, complex medical presentations, cognitive sequelae of traumatic and acquired brain injury, and pre-surgery evaluations for epilepsy and Parkinson's.

#### **Practicum Student, Aptiva Health Concussion Program** **1/2025 - 9/2025**

Louisville, Kentucky

*Supervisor:* Dr. Lisa Manderino

- Completed outpatient concussion evaluations as part of a multidisciplinary rehabilitation clinic, including clinical interviews and cognitive, vestibular, and emotional evaluations. Referrals include patients with suspected concussions from sports, motor vehicle accidents, and falls. Interdisciplinary consultation with providers specializing in including physical, vestibular, and occupational therapy as well as orthopedic and general medical physicians.

#### **Practicum Student, Veterans Affairs Medical Center** **8/2024 - 7/2025**

Lexington, Kentucky

*Supervisors:* Drs. Andrea Williams, Laura Anthony, Timothy Carbary

- Completed comprehensive outpatient neuropsychological assessments for veterans including referrals related to dementia, ADHD, capacity, TBI, and serious mental illness. Assisted in neuropsychological testing and consultation in a multidisciplinary primary care dementia clinic, interfacing with nurse practitioners, primary care physicians, social workers, and clinical pharmacists.

**Graduate Peer Supervisor, Harris Psychological Services Center** 7/2023 - 5/2025

Lexington, Kentucky

*Supervisors:* Drs. Amber Billingsley and Michelle Martel

- Led graduate peer supervision group meetings for individual therapy cases within a vertical, tiered supervision model. Teaching assistant and individual peer supervisor for 2 introductory graduate psychological assessment classes focused on learning the WAIS, WJ, DIAMOND, CSSRS, and MMPI.

**Graduate Therapist, Harris Psychological Services Center** 9/2022 - 2/2025

Lexington, Kentucky

*Supervisors:* Drs. Amber Billingsley, Elizabeth Riley, MaryBeth McGavran,

*Commended for Excellent Clinical Performance*

- Provided skills-based individual psychotherapy on a sliding scale for community members. Utilized intervention approaches from CBT, DBT, ACT, CPT, and PE treatment modalities.

**Graduate Group Leader, Harris Psychological Services Center** 1/2024 - 6/2024

Lexington, Kentucky

*Supervisor:* Dr. Amber Billingsley

- Led the recruitment and intake procedures for a Memory, Aging, and Cognition group for health older adults. Co-lead the psychoeducational and skills group based on the Baycrest Memory and Aging Program. Co-leader of a social anxiety group utilizing CBT skills and exposure.

**Assessment Coordinator, Harris Psychological Services Center** 7/2023 - 6/2024

Lexington, Kentucky

*Supervisor:* Dr. Amber Billingsley

- Completed 24 comprehensive new patient and ADHD/LD assessments including clinical interview, test battery selection and administration, integrated report writing, and feedback sessions. Administrative coordinator, scheduler, and peer supervisor for all assessments.

**Practicum Student, University of Kentucky Counseling Center** 8/2022 - 5/2023

Lexington, Kentucky

*Supervisors:* Drs. Walter Malone and Zakary Clements

- Provided skills-based individual psychotherapy for university students and completed intake interviews. Co-led two interpersonal process groups for improving interpersonal functioning, social skills, and anxiety symptoms.

**Assessment Practicum Student, University of Kentucky****9/2021 - 5/2022**

Lexington, Kentucky

*Supervisors:* Drs. Michelle Martel and Thomas Adams

- Graduate course in the administration and scoring of intelligence, achievement, behavioral, psychiatric, and personality assessments.

**Undergraduate Intern, Rhode Island Hospital Partial Program****1/2020 - 8/2020**

Providence, Rhode Island

*Supervisor:* Dr. Mark Zimmerman

- Observed diagnostic clinical interviews and contributed to integrated reports through psychosocial report summaries. Observed in person and remote sessions of group, psychiatry, and TMS therapy sessions,

## RESEARCH FUNDING

**Funded**

Student Training Award (\$1,500), Academy of Psychological Clinical Science	2025
Jesse G. Harris, Jr. Dissertation Award (\$1,600), University of Kentucky	2025
Departmental Research Assistantship (\$3,000), University of Kentucky	2025
UNITE Predoctoral Research Fellowship (\$22,000), University of Kentucky	2022 - 2024
Departmental Research Assistantship (\$5,000), University of Kentucky	2023
LINK Award (\$4,000), Brown University	2020
Undergraduate Teaching and Research Award (\$3,900), Brown University	2019

**Submitted**

F31 Kirschstein National Research Service Award National Institute of Neurological Disorders and Stroke Role: Principal Investigator	Submitted 8/2025
--	------------------

## RESEARCH EXPERIENCE

**Clinical Trials Research Assistant, Lexington, Kentucky****3/2022 - present**

University of Kentucky Department of Emergency Medicine

*Principal Investigators:* Department of Defense; UC San Francisco; Abbott Point of Care

- Part-time clinical trials research assistant for Abbot iStat TBI, Track-TBI Network, and APT-TBI-01 adaptive drug trial studies; conducting neuropsychological outcome assessments for individuals with traumatic brain injury.

**Graduate Student Researcher, Lexington, Kentucky** **9/2021 - present**

Neuropsychological Assessment and Rehabilitation Laboratory (NARLy)

*Principal Investigator:* Dr. Justin Karr

- Graduate neuropsychological research in sport-related concussion, traumatic brain injury, intimate partner violence, CTE/TES, psychometrics, and neuropsychological assessment.

**Undergraduate Research Assistant, Providence, Rhode Island** **9/2018 - 7/2021**

FeldmanHall Social &amp; Affective Neuroscience Lab

*Principal Investigator:* Dr. Oriel FeldmanHall

- Undergraduate researcher contributing experimental task coding, statistical coding, IRB drafting, eye-tracking experimental coding, and Level 2 fMRI training.

**Undergraduate Intern, Providence, Rhode Island** **1/2020 - 8/2020**

Rhode Island Methods to Improve Diagnostic Assessment and Services (MIDAS) project

*Principal Investigator:* Dr. Mark Zimmerman

- Data entry and large database management for psychiatric partial hospitalization program. Conducted two independent research projects submitted for regional psychology conferences.

## MANUSCRIPTS IN PROGRESS

- 
- Wallace, J., Karr, J. E., Delfin, D., **Ingram, E. O.**, Brewer, C., Anesi, T., Williamson, M., Kerr, Z., Hibbler, T., Terry, D., Yengo-Kahn, A. (Under Review). No substantial change in physical, social and mental wellbeing over a single high school American football season.

## PUBLISHED MANUSCRIPTS

- 
1. **Ingram, E. O.**, Carmo, M., Rast, P., Manderino, L., Karr, J. E. (In Press). An exploratory analysis and comparison of post-concussion symptom networks in young adults with and without a remote history of concussion. *Archives of Clinical Neuropsychology*
  2. Terrill, D. R., Hubert, T., Yun, G., **Ingram, E. O.**, Dalrymple, K. (2025). Variables associated with non-response in anxiety and depression among patients receiving treatment in a partial hospitalization program. *Journal of Clinical Psychology*. <https://doi.org/10.1002/jclp.70013>
  3. Karr, J. E., & **Ingram, E. O.** (2024). Base rates of healthy community-dwelling adults meeting criteria for Traumatic Encephalopathy Syndrome and levels of Chronic Traumatic Encephalopathy certainty. *The Clinical Neuropsychologist*, 1–25. <https://doi.org/10.1080/13854046.2024.2399797>

4. Karr, J. E., Zuccato, B. G., **Ingram, E. O.**, Considine, C. M., Merker, B., & Abeare, C. A. (2024). Cognitive, sleep-arousal, physical, and affective domain scores on the Post Concussion Symptom Scale: Added utility in detecting symptom elevations among student-athletes with a remote history of concussion. *Archives of Clinical Neuropsychology*. <https://doi.org/10.1093/arclin/aca027>

10. **Ingram, E. O.**, & Karr, J. E. (2023). Depression and anxiety have a greater association with postconcussion symptoms than a remote history of sport-related concussion in college students. *Translational Issues in Psychological Science*, *9*(1), 51–64. <https://doi.org/10.1037/tps0000343>

#### POSTER RESENTATIONS

---

1. **Ingram, E. O.**, Karr, J. E. (2025, November). *The relationship between post-concussion symptom domains and loss of consciousness/post-traumatic amnesia*. National Academy of Neuropsychology Annual Conference, Los Angeles, California, USA.
2. Terrill, D., Hubert, T., **Ingram, E. O.**, Dalrymple, K. (2025, November). *Variables associated with nonresponse in anxiety and depression among patients receiving treatment in a partial hospitalization program*. 59th Annual Meeting of the Association for Behavioral and Cognitive Therapies, New Orleans, Louisiana, USA.
3. **Ingram, E. O.**, Carmo, M., Manderino, L., Rast, P., Karr, J. E. (2025, March). *A network approach to post-concussion symptoms: Comparing central symptoms between young adults with and without concussion history*. World Congress on Brain Injury by the International Brain Injury Association, Montreal, Canada.

4. **Ingram, E. O.**, Carmo, M., Manderino, L., Rast, P., Karr, J. E. (2025, February). *Network centrality of post-concussion symptoms in young adults with and without a remote history of concussion*. Annual Rehabilitation Psychology Conference, Louisville, Kentucky, USA.
5. **Ingram, E. O.**, Karr, J. E. (2024, April). *Racial and ethnic differences in post-concussion neurocognitive test performances*. UNITE Research Showcase. Lexington, Kentucky, USA.
6. **Ingram, E. O.**, Iverson, G. L., Pinheiro, C. N., Ali, S., Karr, J. E. (2024, April). *Reliable change on the NIH Toolbox Cognition Battery: Cutoff scores for detecting within person change and multivariate base rates of change scores*. NIH Toolbox® Assessments Conference, Bethesda, Maryland, USA.
7. **Ingram, E. O.**, Karr, J. E. (2024, February). *Initial psychometric examination of the Speech and Language Scale: A self-report questionnaire of receptive and expressive language abilities*. International Neuropsychological Society Annual Meeting, New York City, New York, USA.
8. Ross, M. M., **Ingram, E. O.**, Delfin, D., Karr, J. E., Wallace, J. S. (2024, January). *Subjective social status and mental health in adolescent athletes*. Pediatric Research in Sports Medicine Society Annual Meeting, Anaheim, California, USA.
9. Chen, S., **Ingram, E. O.**, Karr, J. E. (2023, October). *Multivariate base rates for the NIH Toolbox Emotion Battery in the Spanish-speaking normative sample*. Hispanic Neuropsychological Society Annual Conference, Philadelphia, Pennsylvania, USA.
10. **Ingram, E. O.**, Karr, J. E. (2023, October). *Using a multidimensional symptom model to identify persistent post-concussion symptoms in collegiate athletes*. National Academy of Neuropsychology Annual Conference, Philadelphia, Pennsylvania, USA.
11. **Ingram, E. O.**, Karr, J. E. (2023, October). *Prior concussions and symptom elevation rates in collegiate student-athletes at preseason baseline*. National Academy of Neuropsychology Annual Conference, Philadelphia, Pennsylvania, USA.
12. **Ingram, E. O.**, Karr, J. E. (2023, May). *Multidimensionality of the SCAT-3 symptom evaluation before and after sport-related concussion*. Sports Neuropsychology Society Symposium. Denver, Colorado, USA.
13. **Ingram, E. O.**, Karr, J. E. (2023, May). *Normative data for cognitive, physical, affective, and sleep-arousal symptom subscales of the SCAT-3 symptom evaluation*. Sports Neuropsychology Society Symposium. Denver, Colorado, USA.
14. **Ingram, E. O.**, Karr, J. E. (2023, April). *Racial/Ethnic differences in symptom elevation rates for student-athletes returning to play from concussion*. UNITE Research Showcase. Lexington, Kentucky, USA.
15. Zuccato, B. G., Karr, J. E., **Ingram, E. O.**, Messa I., Korcsog, K., & Abeare, C. A. (2023, February). *Developing and calibrating a sex-specific psychiatric screener within the Post-Concussion Symptom Scale*. Annual Meeting of the International Neuropsychological Society. San Diego, California, USA.

16. **Ingram, E. O.**, Karr, J. E. (2022, October). *Multivariate base rates for the NIH Toolbox Emotion Battery*. Annual Conference of the National Academy of Neuropsychology, Denver, Colorado, USA.
17. Karr, J. E., Zuccato, B. G., **Ingram, E. O.**, Considine, C. M., Merker, B., & Abeare, C. A. (2022, October). *More than total symptom severity: Identifying subtypes of persistent post-concussion symptoms using normative data*. Annual Conference of the National Academy of Neuropsychology. Denver, Colorado, USA.
18. **Ingram, E. O.**, Karr, J. E. (2022, August). *Post-concussion symptoms in college students with depression and anxiety versus a concussion history*. Annual Convention of the American Psychological Association. Minneapolis, Minnesota, USA.
19. Karr, J. E., Zuccato, B. G., **Ingram, E. O.**, McAuley, T., Merker, B., & Abeare, C. A. (2022, August). *Developing normative data for the Post-Concussion Symptom Scale*. Annual Convention of the American Psychological Association. Minneapolis, Minnesota, USA.
20. Lamba, A., Nassar, M.R., **Ingram, E.O.**, & FeldmanHall, O. (2021, March). *Amygdala dependent reward prediction errors selectively guide social learning under uncertainty*. Annual Meeting of the Cognitive Neuroscience Society. Virtual poster presentation.
21. **Ingram, E.O.**, Ward, M., Benjamin, I., & Zimmerman, M. (2020, October). *Relationship between family functioning and clinical outcomes for patients with Borderline Personality Disorder*. Annual Meeting of the New England Psychological Association. Worcester, MA, USA.
22. **Ingram, E.O.**, Boyd, S., Terrill, D., & Zimmerman, M. (2020, October). *Clinical and demographic comparison of patients with Bipolar Disorder with and without comorbid substance use disorders*. Annual Meeting of the New England Psychological Association. Worcester, MA, USA.
23. **Ingram, E.O.**, Lamba, A., & FeldmanHall, O. (2019, August). *The impact of uncertainty sensitivity on affective inhibitory control*. Brown University Undergraduate Research Symposium. Providence, RI, USA.

#### INVITED TALKS & PRESENTATIONS

---

1. **Ingram, E. O.** (2025, October). *Non-traditional careers in Neuropsychology*. Bluegrass Area Neuropsychology Group Monthly Meeting. Lexington, KY, USA.
2. **Ingram, E. O.** (2025, October). *Introduction to the study and practice of Neuropsychology*. Guest Lecturer for Harris Psychological Services Center Clinical Assistants Seminar. Lexington, KY, USA.
3. **Ingram, E. O.** (2024, October). *Clinical case presentation*. University of Kentucky Clinical Psychology Professional Development Seminar. Lexington, KY, USA.
4. **Ingram, E. O.** (2024, February). *The Sport Concussion Assessment Tool: A multidimensional symptom model for detecting elevated post-concussion symptoms*. University of Kentucky Clinical Psychology Professional Development Seminar. Lexington, KY, USA.

5. **Ingram, E. O.**, Feather, A. R., Stumpp, N. E. (2024, January). *Graduate student representatives & professional development*. University of Kentucky Clinical Psychology Professional Development Seminar. Lexington, KY, USA.
6. **Ingram, E. O.** (2023, October). *Introduction to Neuropsychology*. Guest Lecturer for Harris Psychological Services Center Clinical Assistants Seminar. Lexington, KY, USA.
7. **Ingram, E. O.** (2023, September). *Developing a multidimensional model for detecting persistent symptoms after sport-related concussion*. Bluegrass Area Neuropsychology Group Monthly Meeting. Virtual presentation.
8. **Ingram, E. O.** (2022, October). *Multivariate base rates for the NIH Toolbox and demographic stratifications*. University of Kentucky Board of Trustees Meeting. Lexington, KY, USA.
9. **Ingram, E. O.** (2022, September). *Multivariate base rates for the NIH Toolbox and demographic stratifications*. Bluegrass Area Neuropsychology Group Monthly Meeting. Virtual presentation.
10. **Ingram, E. O.** (2022, April). *Four-factor model of the SCAT3 and cognitive functioning over time*. Data Blitz for University of Kentucky Clinical Psychology Professional Development Seminar. Lexington, KY, USA.
11. **Ingram, E. O.** (2020, February). *Tracking learning under uncertainty through the social domain*. Brown University Corporation Member's Monthly Meeting. Providence, RI, USA.

#### SERVICE & LEADERSHIP

---

ANST Campus Representative, University of Kentucky	2021 - present
Bluegrass Area Neuropsychology Group Leader, University of Kentucky	2021 - present
Graduate Peer Mentor, University of Kentucky	2024 - present
STEM Night Presenter, George Washington Carver STEM Academy for Boys	2024 - 2025
Summer Alumni Connections Program, Brown University	2025
Mentorship Program, Society for Black Neuropsychology	2023 - 2025
Undergraduate Peer Mentor, Start-to-Finish Program, University of Kentucky	2021 - 2024
Undergraduate Peer Mentor, Kentucky Psychological Association	2021 - 2024
Faculty Meeting Student Representative, University of Kentucky	2021 - 2024
Clinical Psychology Hiring Committee, University of Kentucky	2023 - 2024
Diversity, Equity, and Inclusion Committee, University of Kentucky	2021 - 2023
Departmental Undergraduate Group Leader, Brown University	2020 - 2021
Undergraduate Athlete Tutor, Brown University	2018 - 2021
Vice President of Events: Brown Synapse, Brown University	2020 - 2021
Vice President: Class Coordinating Board, Brown University	2020
Treasurer: Class Coordinating Board, Brown University	2019

---

 TEACHING EXPERIENCE
 

---

*Teaching Assistant: Clinical Methodology II, University of Kentucky	Spring 2025
*Teaching Assistant: Clinical Methodology I, University of Kentucky	Fall 2024
Teaching Assistant: Experimental Psychology, University of Kentucky	Summer 2024
Teaching Assistant: Experimental Psychology, University of Kentucky	Summer 2022
Head Teaching Assistant: Introduction to Programming, Brown University	Spring 2021
Head Teaching Assistant: Theories of Personality, Brown University	Fall 2020

\*Denotes a graduate level course

---

 SKILLS & CERTIFICATIONS
 

---

**Software & Statistical Skills**

- R/RStudio, SPSS, SAS, REDCap
- Factor Analysis (lavaan), Network Analysis (mIVAR, BGGM), Ecological Momentary Assessment
- fMRI facility training – Level 2
- Python, MATLAB (Psychtoolbox, SPM12)

**Psychiatric, Mood and Trauma Assessments**

- MINI, DIAMOND, PCL-5, BSI-18; C-SSRS; GAI; GDS; BRIEF-A; SSEQ; BAI; BDI

**Personality Assessments**

- SCID-5-PD, MMPI-2-RF, PID-5-SF, IPIP-NEO-120; PAI; BFI-2-SF

**Intelligence and Achievement Assessments**

- WAIS-IV, WJ-IV, WRAT-5, Word Choice Test, Test of Premorbid Functioning

**Neuropsychological and Cognitive Assessments**

- WCST, TMT, D-KEFS, ROCF, BCFT; WMS-IV, CVLT-3, RAVLT, COWA, Grooved Pegboard, Word Memory Test, DRS-2, RBANS, MoCA, MMSE, BNT, HVLT, BVMT, Stroop, JLO, BTA, TOMM; MAE; VOT; FAB; BVFD; MINT, CST; CERAD battery; UDS battery; VOMS; BTACT; Dot Counting; Rey-15; Category Test; IVA; ImPACT; ILS; ChAMP; Seashore Rhythm; KBIT; WASI; PPVT; PASAT; SDMT; TONI; Top-J; MSVT; Beery VMI; BFRT; TONI; VFDT; TCFT; NCSE

**Other Assessment Measures**

- FSE, RPQ, R-GOSE, QOLIBRI-OS; GOSE 2-Ways; ISI; PROMISE-PAIN; CP Screen; VSVT

### **Certifications**

- Combating Medicare Fraud, Waste, & Abuse- Center for Medicare & Medicaid Services
- CAMS Certified- The Collaborative Assessment and Management of Suicidality & Suicide Prevention at the Intersection of Diversity
- CITI Program Certified- Good Clinical Practice for Social and Behavioral Research, Human Subjects for Social/Behavioral/Educational Research, Responsible Conduct of Research
- Red Cross CPR certified
- Psychological First Aid
